Information Disclosure Statement

In response to the earlier Information Disclosure Statement filed on January 18, 2008, the Examiner noted that the Examiner was not able to pull the cited reference EP 0449567A. For the sake of completeness for the record, a copy of the earlier filed Information Disclosure Statement and the EP reference is enclosed herewith, along with another copy of the Supplementary European Search Report that cited the EP reference. The relevance of the EP reference as deemed by the European Patent Office searcher is noted in the such Search Report. Copies of the other references cited in the Information Disclosure Statement have not been included, since the Examiner indicated that they have already been considered earlier.
